Express shipping of product or additional special freight charges will be billed to the Dealer. In case of freight damage, indicate damage on the bill of lading or refuse the shipment. If damage is concealed, Dealer must notify freight company within 15 days and request inspection. All products to be returned to the Klipsch Group factory must be accompanied with a pre-approved Return Authorization number. Please call 866-253-9563 to receive a Return Authorization number, or fax a Return Authorization form, which may be obtained through your sales representative, to 870-777-6753. Any stock returns or non-defective returns will be assessed a 15% restocking fee. Additional charges will be applied for any missing parts (i.e., owner's manual, packing materials, remote controls, power cords, etc.).

Advertising allowance is only available in conjunction with the Prompt Pay allowance.

Prices and finishes are subject to change without notice. The suggested retail price is for information only, and not required. It is the unequivocal policy of Jamo to establish a Minimum Advertised Price (MAP) policy for its products to maintain a high quality image. This MAP policy applies to advertised prices only, not actual selling prices. Failure to comply with the MAP policy could result in termination of the Jamo dealer agreement. For a copy of the current MAP policy, or for questions regarding the MAP policy, please contact your local Klipsch representative or visit jamodealer.com. Any temporary suspensions or modifications of the MAPs for various KGI products will be posted on the respective brand's dealer website, which include: klipschdealer.com, jamodealer.com, and apidealer.com. If you are not already a registered member of one of these sites, please visit the appropriate site to register. Please note that no additional notices will be sent with respect to MAP suspensions or modifications. It is the dealer's responsibility to review the notices posted on each dealer website.
