Easy Clear® Low Volume Multipurpose Water Quality Systems

Model EQ-17-TL or ED-17-TL
Water Quality System

Features

Quick Connect (EQ-17-TL) or In-Line (ED-17-TL) Water Quality Systems

- Designed for one or two ½ gallon coffee brewers. They also work well with BUNN HW2 hot water machine.
- Provides 1,500 gallons of superior sediment, taste/odor and chlorine reduction @ .5 gpm.
- 5 micron graded density filtration for long life.
- Perfectly sized to ensure quality coffee and long-term performance of 1 to 5 pot brewers (up to 15 lbs. of coffee/week)
- Special scale inhibitor provides six months of scale reduction and guards against corrosion.

Quick Connect

- Quick change filter head allows cartridge replacements in only a few seconds, and in any position.

Drop-In

- The ED-17-TL replaces the 750 In-Line filter previously offered by BUNN.

For current specification sheets and other information, go to *www.bunn.com*.

Related Products

Warranty: BUNN warrants the Easy Clear® hardware (excluding cartridges) to be free from defects in materials and workmanship for 1 year from the date of installation. See service manual for complete warranty statement.

EASY CLEAR®

System Tested and Certified by NSF International against ANSI/NSF Standard 42 for the reduction of sediment, taste/odor, and chlorine.
