

New Popper Signs!

Gold Medal is launching a new look for the standard backlit popper sign and six additional design options to choose from.

Standard Popper Sign - add STD to item # to purchase this sign

Option 4 - add OPT4 to item # to purchase this sign

Option 5 - add OPT5 to item # to purchase this sign

Option 6 - add OPT6 to item # to purchase this sign

Option 1 - add OPT1 to item # to purchase this sign

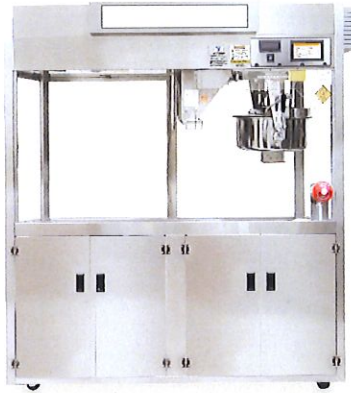

Option 2 - add OPT2 to item # to purchase this sign

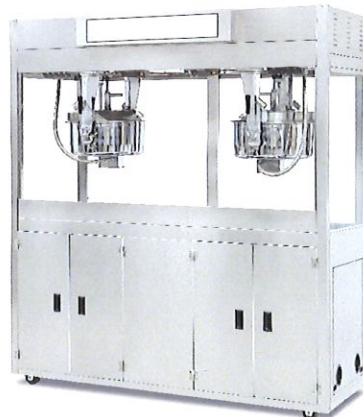

Option 3 - add OPT3 to item # to purchase this sign

Large Popper Version

The poppers and item numbers showcased below indicate which poppers these signs can be ordered for as a custom option. When a large popper order is placed, and a custom sign design is selected, Gold Medal will assemble the popper inserting the custom sign selected prior to shipment.

For the PopClean® Elite Popper® Series order sign **#111836** and add the option suffix at the end to indicate the design: *i.e.* **#111836OPT3**.

For the following popper series outlined below, order sign **#111871** and add the option suffix at the end to indicate the design: *i.e.* **#111871OPT3**.

Popper Series: 2011 / 2911 / 2848 / 2948 / 2860 / 2960 / 2872 / 2972 / 2873 / 2973
