

Beverage Freezers

Frozen Drink

Efficient. Dura

High Impact Merchandising

Draw more attention and sales with:

- Flavorlight™ illuminated beverage window
- High impact backlit headers

Ready When You Are

Cold product storage automatically replenishes frozen product as drawn, improving throughput for maximum sales.

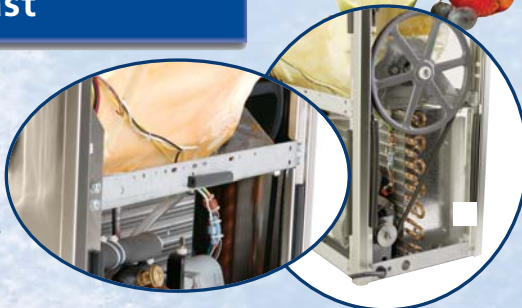

Self-Serve Simplicity

Spring loaded dispense valve closes itself after dispensing. Ideal for self serve or for busy clerk service.

Built to Last

Heavy duty components, belt driven design and steel frame are ideal for lasting commercial use.

Other Model Specific Features:

5000 Series

Standby mode chills product in freezer during off hours to promote optimal drink quality upon freezing.

Independent hopper cooling keeps reserve product cold even after frozen consistency is reached.

Remote Condensing Models

Refrigeration Quick Disconnect for easier installation.

Drink Dispensers

Simple. Profitable.

Cleaning Made Easy

Clean-in-Place approval makes cleaning fast and easy.

Through Thick and Thin Control Your Frozen Drink

Consistency controls allow operator to set product thickness.

Mechanical control
3000 series
controlled by
spring tension.

Electronic control
5000 series
controlled via
dial on
control board.

Time to Refill

Mix low indicator light enables users to refill product before running out completely.

5000 Series includes audible alarm.

Super-Size to Sample Size

8" (20 cm) cup clearance allows room for almost any size drink.

Your Choice of Headers:

Private Label Headers Available!

Accessories

Spinner

Drink mixer can be mounted on front of unit to create countless drink variations. (Factory or field install!)

Concealed Filter Kit

Concealed filter captures dust to make cleaning condenser easy, improve machine efficiency, and extend the life of the machine.

Exposed Filter Kit

Exterior mounting of filter exposes filter to encourage frequent cleaning. Improves machine efficiency and extends machine life.

Security Kit

Lock dispense valve to prevent dispensing after hours.

Parts Tray Kit

Custom molded tray organizes parts during cleaning and drying to minimize loss while identifying parts for reassembly. Specify standard or scraper dasher auger style.

Legs

4" legs can be added to any counter-top model, for convenient access to clean under machine. (Legs come standard on remote condensing models.)

Slush

Granita

Frozen Fruit Juice
