Insulated Proof/Hold Hot Stor Cabinet

Your best choice for both proofing and holding

- Furnished with 16 pair (CA71) or 7 pair (CA39) of 5½" removable universal pan supports to accommodate a wide range of pans and screens including 18" x 26" trays and steam table pans
- Blower fan and pan stop provide uniform heat distribution throughout cabinet
- Will accommodate up to 35 pans on 1½" center spacing
- Available in clear polycarbonate or solid insulated aluminum door with magnetic latch handle
- Integrated side handles on full size cabinet

Removable heat unit for easy maintenance and repair includes:

- Exterior mounted controls
- Digital thermometer in face of heat unit
- Temperature adjustable to approximately 180°F
- Separate temperature and humidity controls
- Electrical: 120 volt, 15 amp circuit, 1500 watts, 60 cycle, single phase. 8 foot cord with 3 prong plug

Casters: (4) 6"x2" polyurethane swivel, 2 w/brakes

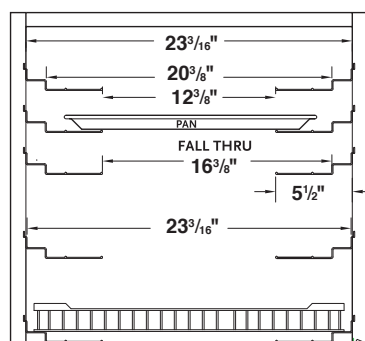

Options: 1½" or 3½" pan supports
Dutch doors (clear or solid aluminum)
Perimeter or corner bumpers
Hasp lock
See page 56 for Casters

Heat Units

Independent unit for easy removal and cleaning

External Heat Unit H-HEAT UNIT-EXT

- This unit has external controls to change settings easily without having to open the door
- Adjustable to 180° F in an insulated cabinet and 160° F in a non-insulated cabinet
- Separate humidity and temperature dials
- 4.3 quart seamless stainless steel water pan
- Electrical: 120 volts, 15 amp circuit, 1500 watts, 60 cycle single phase, 8 foot cord with a 3 prong plug

For CA71 and CA72 Cabinets

Internal Heat Unit H-HEAT UNIT-INT

- This unit has internal controls
- Adjustable to 180° F in an insulated cabinet and 160° F in a non-insulated cabinet
- Separate humidity and temperature dials
- 4.3 quart seamless stainless steel water pan
- Electrical: 120 volts, 15 amp circuit, 1500 watts, 60 cycle single phase, 8 foot cord with a 3 prong plug

For CA 73 & CA 67 Series Cabinets before Dec. 2008

Pass-Thru Heat Unit H-HEAT UNIT-74

- This unit is manufactured for our Pass-Thru cabinet and the heat is circulated for best results
- Adjustable to 180°F in an insulated cabinet
- External controls
- Separate humidity and temperature dials
- 4.3 quart seamless stainless steel water pan
- Electrical: 120 volts, 15 amp circuit, 1500 watts, 60 cycle single phase, 8 foot cord with a 3 prong plug

For CA74 Cabinets after Dec. 2008

External Heat Unit H-HEAT UNIT-EXT -6

- This unit has external controls and made for several cabinets, CA67 & CA69 series
- Adjustable to approximately 180° for insulated cabinets and 160° for non-insulated cabinets.
- Separate humidity and temperature dials
- 4.3 quart seamless stainless steel water pan
- Electrical: 120 volts, 15 amp circuit, 1500 watts, 60 cycle single phase, 8 foot power cord with a 3 prong plug

For CA67 & CA69 Series Cabinets after Dec. 2008

*Ambient air temperature may affect heating performance

Warranty

- Heat units are under warranty for one year parts and labor.
- Loaner units are supplied by Lockwood for warranty repairs at no charge.
- Customers are responsible for any freight over the standard delivery and after 1 year.
- Warranty heat unit work must be done in-house by Lockwood or approved by Lockwood.
- Warranty seal must not be broken. If broken, warranty is void.
- No warranty work is authorized by local service agencies without prior approval by Lockwood.

How to Order

Determining a model number is as easy as:

- 1 Choose handle and frame style that best suits your needs.

6000 - ____ - ____

- 2 Choose either "A" (14" length) or "B" (18" length) noseplate.

6000 - B - ____

- 3 Choose wheel style.

6000 - B - Z

A Lockwood representative can assist you in determining a model based upon your needs

Powdercoat

Our Powdercoat conveyor-line system delivers the product through a pre-wash and heated forced-air dryer booth to encourage the best paint adherence. The product is then powder coated with a high quality, environmentally friendly surface treatment. The product then enters a high temperature oven that bakes the paint to a hard durable finish.

Policies, Terms and Conditions:

WARRANTY POLICY

The original purchaser of any item(s) in our catalog will receive a one (1) year warranty, (from the day of shipment) for all parts to be free from defects in material and workmanship under normal use.

Lockwood's obligation will be limited to repairing or replacing without cost to the original purchaser during the warranty period, any part or portion thereof, manufactured or sold under the Lockwood name, and judged to be defective after Lockwood's examination.

This warranty does not apply to any merchandise that has been subjected to neglect, alteration, misuse or accident. This warranty is subject to the users normal responsibility and will be in lieu of all other warranties, expressed or implied, and of all other obligations or liabilities on our part.

Lockwood does not assume nor authorize any other person to undertake for us any other liability in connection with our merchandise.

This warranty will not be binding if at the time claim is filed, the purchaser is delinquent in payment due, under the terms of the sale.

HEAT UNIT WARRANTY POLICY

Lockwood will pay all standard freight during the first year, the customer is responsible for any freight over the standard delivery charge. After the 1 year period, customer is responsible for all freight.

RETURN GOODS POLICY

To return merchandise, you must receive a Lockwood Return Authorization Number. Merchandise is to be returned unused, pre-paid at the customers expense, and is subject to a minimum 25% restock charge. Custom designed materials can not be returned.

DAMAGED OR LOST SHIPMENTS

*All merchandise must be inspected before signing the delivery receipt. UPS and FedEx are exceptions to this rule. Merchandise found to be damaged should be refused and Lockwood must be contacted. Damaged merchandise that has been signed for as "**Free and Clear**" will be the responsibility of the **BUYER**. FedEx and UPS shipments may be inspected (as well as claims filed) after the delivery receipt is signed.*

FREIGHT TERMS

*All prices quoted are F.O.B. Livonia, MI, U.S.A. All orders will be shipped **Prepaid & Add** unless specified otherwise (i.e. collect or 3rd party). **All freight costs are estimates only and are subject to change without notice.** Weights and dimensions determine freight class; therefore freight class may fluctuate based on quantity and packaging.*

PAYMENT TERMS

Net 30 days from date of invoice with approved credit. New accounts must submit a credit application prior to placing their initial order. Customers are responsible for all service charges with C.O.D. shipments. Lockwood will accept VISA, MasterCard or American Express and a handling charge of \$3.00 will be added for all orders. Credit card numbers given to Lockwood Manufacturing will be kept on file and used for any delinquent account balances.

PURCHASE ORDERS

Confirming purchase orders are required by fax, mail or e-mail. Prices subject to change without notice.

Information in this catalog subject to change.

Weights shown reflect product weight, not total shipping weight.

We accept Mastercard, Visa, & American Express.

Unique custom fabrications to solve our customers' specific requirements
