

80435-() Divider Kit Instruction Sheet

1.) Put bracket on the front of the grill as shown.

- 2.) Insert divider into the front bracket slots as shown.
- - 3.) Lower the back of the divider so that it rests on the back on the rollergrill. **IMPORTANT**: *Be sure that the divider is not resting on the drip pan.*

4.) Repeat steps 2 & 3 until all the dividers are installed.
