pump

Pro-Deluxe Butter Warmer

The Pro-Deluxe Butter Warmers provide the same quality provided in the Pro-Deluxe Warmer product line. The pump has some interior design implements that make the Butter Warmer ideal for dispensing butter onto popcorn and as sides for other convenient concessions.

B

C*

All models heat to 200°F

Components not seen optional dressing jar. Models B, C, & D use an internal riser.

*Aluminum Spout Heated with a 17 Watt Cartridge.

The Pro-Deluxe Butter Warmer is designed to dispense butter at any vending function. The large reservoir allows continual use with minimal downtime for refills. Each of the Pro-Deluxe Butter units feature a Stainless Steel Body, a lighted master ON/OFF toggle switch, and each uses a 500 Watt Band Element with an adjustable thermostat to regulate a perfect temperature all day long.

Three-year Warranty Program
