Pro-Deluxe Warmer-Dual

What's better than one warming unit? Two! Paragon's Pro-Deluxe Dual Unit Warmers provide twice the amount of warming capacity for your dispensable condiments. Ideal for use in rental shops, convenience stores, concession stands, vending carts, break rooms, or any high volume venue needing to keep food warm for a period of time.

All models heat to 200°F

*Aluminum Spouts Heated with a 17 Watt Cartridge.

Components not seen optional dressing jar. Models with pump dispensers use an internal riser.

The Pro-Deluxe Warmer is an ideal dispenser for Hot Fudge, Caramel, and Nacho Cheese; while Ladle units are perfect for marinara or chili. The pump units are designed to accomodate a #10 Can for easy usage, but also have optional dressing jars available that can be used to hold your dispensables.

These Units are not recommended for Butter, other models available for Butter.

Each of the Pro-Deluxe units feature a Stainless Steel Body, a lighted master ON/OFF toggle switch, and use two 500 Watt Band Element with adjustable thermostats to keep your condiments at perfect temperature all day long. The heated spout units come with two 17 Watt Cartridge Heaters. Ladle dispensers comes with 1oz ladles while Pump dispensers (both with and without the heated spout) use gauging collars that allow a maximum 1oz portion and can reduce yield by 1/8 oz increments.
