Zumex Orange Corner

- Orange Corner **is a new concept** created by Zumex and developed to maximise the sales possibilities of natural orange juice in commercial areas.
- **Its modular system is extremely simple to assemble**. Several types of Zumex juicers can be installed, and a bottle dispenser and orange storage module or a cooler module can be fitted to them.
- Recommended models: **Zumex Versatile Podium, Zumex Speed Self-Service Podium and Zumex Speed Tank Podium.**

Demand for orange juice	Low	Medium	High
Perfect for	All type of retail businesses, mainly supermarkets and hypermarkets.
